5th Northwest Equine Fashion Show & Benefit Auction Sponsorship Packages

The Cause:

Every year more than 60,000 military personnel are deployed overseas. Many of these warriors are dads and moms who leave behind their spouse and children for up to eight months at a time, over and over again. Through the NWNHC Family Fund's Warrior Family Retreat, these families who are struggling with the challenges of separation and the effects of war, are brought together for healing time with horses and to build family bonds and memories that will last a lifetime.

With the help of certified equine assisted therapists the Retreat helps spouses and children to work through separation related issues and conflicts. These therapy sessions provide them with valuable tools to cope, even after the Warrior Family Retreat is over.

Your contribution to the Northwest Equine Fashion Show and Benefit Auction will allow us to raise the funds necessary to continue and expand the Warrior Family Retreat program. Join us in supporting and thanking our military families for their service.

The audience:

More than 125 equestrians and friends are anticipated at the event, as well as up to 30 volunteers. Promotional efforts for the event will reach more than 20,000 horse owners, students, and enthusiasts in the Puget Sound area.
